November 9th, 2018 - End Page 153. While the site of Norment's research in the remote wilds of the Barrens certainly qualifies Return to Warden's Grove as a wilderness narrative, it is a wilderness narrative profoundly shaped by the author's scientific pursuits and sensibility. Rather than being structured as a quest or pilgrimage, for example, the book is preoccupied with the quotidian rituals associated with the intensive field studies upon which Norment's sparrow research depends.
